PROFILE INFO

Hello! I'm Jam, an Mobile developer with a thoughtful approach to building not just apps, but experiences that improve users' daily lives. My passion lies in innovation and adaptability - always evolving with technology to deliver impactful solutions.

EXPERIENCE

MID-LEVEL ANDROID & FLUTTER DEVELOPER

NYXSYS PHILIPPINES INC. | OCT 2024 - PRESENT

- Build and maintain Android & Flutter apps (including WebView-based), published on Google Play & App Store.
- Integrate RESTful APIs, file downloads, in-app notifications, and performance optimization.
- Collaborate with design and backend teams to deliver functional, user-friendly features.

ANDROID DEVELOPER - TEAM LEADER

WBRIDGES MANPOWER CORP. | SEPT 2022 - SEPT 2024

- Designed and maintained Android applications using Kotlin.
- Managed app releases and testing workflows via Google Play & App Store.
- Implemented WebView features, bug fixes, and performance tuning.

ANDROID DEVELOPER (TEAM LEADER)

VERTEX DIGITAL / GLOBAL ENTERTAINMENT INC. | SEPT 2020 - AUG 2022

- Led Android development projects, from design to deployment.
- Enhanced apps with API integrations, performance optimization, and UI/UX improvements.
- Mentored team members and supported structured release workflows.

EXPERIENCE

ANDROID DEVELOPER

FORTHMEDIA INTERACTIVE INC. / TRAXION TECH INC. |

AUG 2019 – APR 2020

- Developed Android applications with Java/Kotlin, integrating APIs and backend systems.
- Performed testing, debugging, and performance improvements.
- Delivered reliable, user-friendly apps aligned with Material Design standards.
